

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.

We have to our give all to him, hold nothing back.

God wants us to speak out; for Him.

My soul cries out in pain and love.
