

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

We were not worthy, but he came anyway.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.

Prepare and pray for grace and redemption.

And be like John and wait for the light to come to us.
